

Obituary

LV Health McAllister

Sunrise: February 29, 1948 | **Sunset:** November 10, 2023

LV McAllister was born on February 29, 1948, in Coahoma, Mississippi, but grew up in Memphis, Tennessee, to a departed and loving mother, Alozola McAllister Jordan, and departed Father, Jimmylee, but was loved and raised by Otis Jordan, her departed Stepfather.

At a young age, LV had dreams of helping people, which brought her to Boston, Massachusetts, where she became a nanny and soon after attended Nursing school, where she fulfilled her dreams to help people. Missed and always loved her best friend and late departed husband, William B Heath Jr., whom she married and became LV McAllister-Heath. With a 40+ year marriage and friendship, they became members of Metropolitan Baptist Church for their spiritual guidance.

LV had an early departure with her oldest son Darnell but sadly leaves behind Alozola, Angela, Marika and William B. Heath III, and Stepdaughter Krystol.

She also leaves behind grandchildren Mark, Wayneisha, Elijah, and William IV Savannah and step-grandchildren Kyri and Xavier. She was blessed with departed great-grandchildren Phoenix. Still standing are Noël and Shiloh, whom she loved dearly. Also mourning are son-in-law Ivor and step-grandchildren Julianna and Jaden.

With a family so big she shared extreme love; she was proud of them all and admired the love they shared with one another

She left behind her siblings Thomas, Jannie, Effie May, and Rogers, but she never forgot her other departed brothers and sisters. She also always loved and never forgot a number of nieces, nephews, and their children.

There is no doubt in our hearts that she will be missed.
